

Parent/Guardian Acknowledgement Form

Dear Parent/Guardian:

Your child will be engaged in a Senior Project prior to graduation. The Senior Project will be a valuable tool in strengthening the student's mastery of knowledge, communication, problem solving and responsibility. This Senior Project will provide personal growth benefits for your child now and in the future.

During the Senior Project process, each student will receive advisement and guidance from their Senior Advisor and a Community Mentor. The integrity and completion of the project lies solely with the student; therefore, parental knowledge and support is critical to the success of the project.

If you have any questions pertaining to this process, please contact Brian Gum at 777-5481, ext. 132. Information regarding Senior Project requirements and deadlines have been given to the students; please ask your child about these documents when talking with him/her about their project.
