

Stevensville Booster Club

Please join us as we kick off the 2021-2022 School Year

Purpose and objective of Booster is to support, arouse and maintain interest in a well-rounded athletic and extra-curricular program for Stevensville School District. All community and school members are encouraged to join us in these efforts as we strive to unite our community in support of our Fighting Yellowjackets.

Each membership includes a vote at our monthly meetings which will be posted on our Facebook page @StevensvilleBoosterClub.
